NEW BUSINESS

DIRECTOR'S REPORT

Mr. Dryden reported he attended the National Association of State Controlled Substance Authorities (NASCSA) meeting. Information shared during the meeting was that two states have begun requiring practitioners to utilize the Prescription Monitoring Programs (PMP) in their states. In those two states drug abuse and diversion have decreased significantly. He also attended a meeting during the conference in which the DEA was present and discussions ensued regarding disposal laws, and several other issues throughout the country. The national disposal that was scheduled for September 27, 2015 was attended by Michelle McCreary, Pharmacist Compliance Officer. With the new federal disposal regulations these types of events may no longer be required.

PUBLIC COMMENTS

Mr. Tim Collins wanted to make the committee aware that he himself has been a victim of a substance abuser. He felt he had been wrongfully accused of a crime by an abuser so that the abuser would avoid prosecution. It was a long exhausting process to clear his self from these accusations. Abuse in Delaware is an issue and must be dealt with by proper treatment options and the judicial system.

EXECUTIVE SESSION

No executive session was needed.

NEXT SCHEDULED MEETING

The next regular meeting will be held on January 28, 2015 at 9:00 am at the Buena Vista Conference Center, Buck Library.

ADJOURNMENT

A motion was made by Dr. Kremer, seconded by Dr. Jankowski, to adjourn the meeting. The motion unanimously carried. The meeting adjourned at 9:41 am.

Respectfully submitted,

Christine Mast
